### Faculty of Letters and Humanities

The Faculty of Letters and Humanities offers courses in literature, history, education, philosophy and education.

The Bachelor's degree in Modern Literature is devoted to the study of French literature and contemporary thought and offers complementary courses, enabling students to acquire their own in-depth expertise.

The Bachelor's degree in Philosophy offers advanced interdisciplinary training that develops the ability to think, analyse, argue, and communicate through study of the great philosophical texts.

The Bachelor's degree in Education and Training focuses on a multi-disciplinary course with the knowledge needed to understand the challenges of education and training.
